CAREER GUIDANCE PROGRAM ON SELF-EMPLOYMENT AND NEW SCHEMES FOR SELF-EMPLOYMENT

Career Guidance Program on self-employment and new schemes for self-employment was conducted on 19-09-2023 for all department final year students. It was headed by Mr. Prasanna Balamurugan, General Manager, District Industrial Centre krishnagiri. The Vice Principal, Mr.M.Vijayan addressed the guest and Dr.M.Lakshmi, Placement officer, ECE Department HOD (i/c) GPTC, Uthangarai welcomed the resource person.

Guest have presented speech on what is self-employment, how to become an entrepreneur and he posted some questions among the students.

What is Self Employment?

Self employment is the term used for the state of being self-employed. It means one's main source of income is getting paid directly for one's economical activities like owning business; rather than working for third party as employee.

Chegg

He delivered and informed the students as “The will to do something, to create something which is theirs in every sense. This is the feeling which drives people to start their businesses, leading them to the path of self-employment. Even the stats are showing this, as over 300 million people are now self-employed in India. This makes now the perfect time for anyone who wants to become self-dependent and create employment opportunities for themselves”.

But before starting your self-employment journey you need to think of your choices. There are several self-employment ideas in India that you follow and start your own business. And if you are confused and can't decide which self-employment business is good for you, then don't worry. Here, in this article you will get informed about all the best self-employment business ideas. And if you are still searching for the reasons to become self-employed, then keep reading till the end.

(Guest briefed about Self-Employment” and some of the Central Government Schemes for Self-Employment)

The term “Self-Employment” is a type of employment in which a person or group is employed for them and gets paid from the firm’s profit, instead of working for others. The programmes related to self-employment in India have made many citizens employed and opened new employment opportunities. The Central Government of India runs many schemes to encourage the people towards self-employment throughout the country. The list of self-employment schemes in India is listed below.

Aspire Scheme

A Scheme for Promotion and Innovation, Rural Industries and Entrepreneurship (ASPIRE) is aimed to make the people of rural areas self-employed by providing financial support from subsidies and loans. The main aim of introducing this scheme is to generate opportunities in rural areas.

Prime Minister Employment Generation Programme

This scheme is introduced by the Khadi and Village industries (KVIC) to produce employment opportunities in the urban and rural areas of the country. Any citizen of India who has crossed the age of minority (18 years) is eligible to get the benefits of this scheme.

Pradhan Mantri Rozgar Scheme

Pradhan Mantri Rozgar Scheme is the scheme of the Central Government, launched in 1993, which focuses on providing self-employment to the literate youth who do not get any job. This scheme provides loans for unemployed women and youth. With the help of this loan, young India can start their business with Innovative ideas in many sectors. Under this scheme, the loan amount of up to Rs. 1 Lakhs is offered to the borrower and training of 15 to 20 days is provided. The period of repayment is 3 to 7 years of the loan amount.

Micro-Credit Scheme for Self-Help Groups

Micro-credit scheme for self-help groups is run for the members of self-help groups (SHGs), generally for the ladies who live in the rural areas or the slum section of urban areas. The National Ministry, Development and Finance Corporation, looks out for this scheme. In the micro-credit scheme, as the name suggests, the little or micro amount of Rs. 1 Lakhs to the members of self-help groups with the 7% rate of interest. The period of refund of this loan is three years.

Self-Employment Lending Scheme

The Self-Employment Lending Scheme is run by the National Ministry Development and Finance Corporation (NMDFC) for the minor community to make them self-employed. The maximum value of loan amount sanctioned under this credit line term-2 Scheme is Rs. 30 Lakhs, and for credit line term-is Rs. 20 Lakhs. The rate of interest charged on this amount to the minor communities is 3%, and the repayment tenure is five years.

Self-Employment Programme for Urban Poor Scheme

The Self-Employment Programme for Urban Poor Scheme is the programme under the National Urban Livelihoods Mission (NULM). This scheme provides the poor living in urban areas with financial support. There is no education qualification required to be eligible for this scheme, and any individual or group with a minimum number of members three can apply for it. For the groups, the sanctioned loan amount is up to Rs. 10 Lakh for groups and Rs. 2 Lakh for individuals. The interest rate in this scheme is 7%, and the tenure of refund ranges from 5 to 7 years.

Pradhan Mantri Mudra Scheme

Many young innovators do things out of the box. The Central Government introduced the Pradhan Mantri Mudra Scheme to encourage those innovators toward self-employment. This scheme provides the facility of credit to different Micro, Small and Medium Enterprises.

It was a good interactive session between the students and the guest. The guest spoke on self-employment, new schemes introduced by central and state government of India and how to bring out an entrepreneur from oneself and they gave detailed explanation on economic development and roles of the student for the future growth of the nation economically. The students were enlightened by their speech and enriched with knowledge the guests provided.
