LIFE SKILL EDUCATION PROGRAM ON “ENTREPRENEURSHIP”

(NANUM ORU TATA)

Life Skill Education Program On “Entrepreneurship” was conducted on 03.07.2025 for all department Third year students & 04.07.2025 for all department Second year students. The Principal, Mr.M.Vijayan addressed the guest and Mr.A.Moorthi (Lecturer(CP)/ECE Department) GPTC, Uthangarai Welcomed the Resource Persons. The Principal and all department HOD’s honoured all the trainers. Mr.A.Elumalai Placement officer(Lecturer/ECE Department) GPTC, Uthangarai and R.Sabarathinam (Lecturer(CP)/EEE Department) GPTC, Uthangarai organized the program.

Chief Guest Shri S. Nagalingam delivered an insightful speech providing an overview of the entire programme and also explained the objectives and activities of Nikhil Foundation.

After the inaugural session, the students were divided into teams, and each team was guided by individual trainers. The trainers delivered motivational speeches highlighting the success stories of people from different age groups and backgrounds, ranging from local achievers to globally recognized personalities.

The trainers also conducted interactive sessions and training programmes on self-analysis, the importance of skills, methods to identify individual skills, recognizing past achievements, utilizing opportunities effectively, goal setting, types of goals, and various strategies to achieve them. In addition, sessions were conducted on effective communication, memory enhancement techniques, entrepreneurship, types of entrepreneurs, women entrepreneurship, and various government schemes available for women entrepreneurs.

CAREER GUIDANCE PROGRAM ON “INDUSTRIAL SAFETY PRACTICES”

Career guidance program on “Industrial Safety Practices” was conducted on 16.09.2025 for Mechanical,EEE,ECE,Mechatronics department third year students .The Principal, Mr.M.Vijayan addressed the guest and Mr.A.Moorthi (Lecturer(CP)/ECE Department) GPTC, Uthangarai Welcomed the Resource Persons. The Principal and department HOD’s honoured the trainers. Mr.A.Elumalai Placement officer(Lecturer/ECE Department) GPTC, Uthangarai organized the program.

A Career Guidance Program on “**Industrial Safety Practices**” was organized to create awareness among students about workplace safety standards, industrial risk management, and career opportunities in the field of industrial safety. The program aimed to bridge the gap between academic learning and real-world industrial requirements.

Industrial safety plays a vital role in preventing workplace accidents, protecting employees, and ensuring compliance with safety regulations. With increasing industrialization, trained safety professionals are in high demand across sectors such as manufacturing, construction, oil & gas, power plants, and chemical industries.

Objectives of the Program

- To introduce students to the fundamentals of industrial safety.
- To provide awareness about workplace hazards and risk control measures.
- To educate students on national and international safety standards.
- To guide students on career opportunities in industrial safety.
- To enhance employability skills required in safety-related roles.

The following key topics were discussed during the session:

a) Introduction to Industrial Safety

- Meaning and importance of industrial safety
- Role of safety officers
- Safety culture in industries

b) Workplace Hazards

- Physical hazards
- Chemical hazards
- Electrical hazards
- Mechanical hazards
- Fire hazards

c) Safety Standards and Regulations

- Overview of Occupational Safety and Health Administration (OSHA) guidelines
- Introduction to International Labour Organization (ILO) safety conventions
- Basic knowledge of ISO 45001 standards

d) Personal Protective Equipment (PPE)

- Types of PPE
- Proper usage and maintenance
- Importance of compliance

e) Risk Assessment and Accident Prevention

- Hazard Identification and Risk Assessment (HIRA)
- Safety audits and inspections
- Emergency preparedness and response

f) Career Opportunities in Industrial Safety

- Safety Officer
- Safety Engineer
- HSE (Health, Safety & Environment) Manager
- Fire & Safety Officer
- Safety Auditor

CAREER GUIDANCE PROGRAM ON “KNOWLEDGE SHARING SESSION”

Career guidance program on “Knowledge Sharing Session” was conducted on 29.09.2025 for Mechanical,EEE,ECE,Mechatronics and Computer department third year students . Mr.K.Saravanakumar HOD Department of ECE addressed the guest and Mr.A.Elumalai Placement officer(Lecturer/ECE Department) GPTC, Uthangarai welcomed the resource persons and also organized the program.

A Career Guidance Program on “**Quality Awareness**” was organized to provide students with an understanding of quality concepts, standards, and career opportunities in quality management. The program aimed to enhance students’ knowledge about maintaining quality in products and services across various industries.

Quality awareness is essential in today’s competitive industrial environment, as organizations focus on customer satisfaction, continuous improvement, and adherence to international standards. The session helped students understand the importance of quality systems in manufacturing and service sectors.

Objectives of the Program

- To introduce the concept and importance of quality in industries.
- To create awareness about quality standards and certifications.
- To familiarize students with quality control and quality assurance practices.
- To provide insights into career opportunities in quality management.
- To improve students employability skills in the quality domain.

Topics Covered

a) Fundamentals of Quality

- Meaning and definition of quality
- Importance of quality in industry
- Customer satisfaction and continuous improvement

b) Quality Management Systems (QMS)

- Introduction to Quality Management System
- Principles of Total Quality Management (TQM)
- Continuous Improvement Process (Kaizen concept)

c) Quality Standards and Certifications

- Overview of International Organization for Standardization (ISO)
- Introduction to ISO 9001 – Quality Management Systems
- Importance of industry-specific certifications

d) Quality Control Tools

- 7 QC Tools (Cause & Effect Diagram, Pareto Chart, Control Chart, etc.)
- Statistical Process Control (SPC)
- Root Cause Analysis

e) Roles and Responsibilities in Quality

- Quality Inspector
- Quality Engineer
- Quality Analyst
- Quality Assurance Manager

f) Career Opportunities in Quality Domain

- Opportunities in manufacturing industries
- Automobile, pharmaceutical, textile, and IT sectors
- Scope in multinational companies
